Radio Station WCSR
10½ Prospect Street
Northampton, Mass.

Dear Marilyn,

Thanks for your prompt reply to my letter. We shall arrive as scheduled on Friday, and I think it would be best to begin broadcasting at seven o'clock rather than five. Dave Robinson, our Program Director, is drawing up a schedule which he will send to youuunder separate cover as soon as possible. We will be more than glad to have the other stations on your network take the shows, so please don't upset your schedule.

As for the quiz show, Phil Colcord and I are at this moment pouring over an encyclopedia, and anticipate no trouble at all. I assume that Ricky Wolff will be perfectly fair in making up the questions. It will be a pleasure forustotdemonstrate our great knowledge.

I'm not sure what the story will be on rooms and dates, but I think that each person can worry about that for himself. Many of us will have to return to New Haven that night anyway. We, too, are looking forward to the visit, and I hope that we can make it successful,

Sincerely Yours
charlie
